“ I was introduced to Dave before high school as my sister, Kathy married Dave's brother Pat. Being the same age we had many items in common. When Dave returned home from his Naval Service, I both worked with and for Dave at his company Interstate Underground Sprinkler Company. It was while working closely with Dave that I really got to know Dave and his fun loving ways and his unique sense of humor. The bottom line was Dave was a fun guy to be around. So sorry to hear of his passing and my condolences go out to Patti, Shannon, and Evan from the Jim and Rebecca Bish family.

“ Dave was one of the best men I ever had the privilege of meeting. He was always generous and welcoming and he tolerated his son and my shenanigans. One time we wanted to have a Thanksgiving dinner for all of our friends, and Dave cooked an entire Thanksgiving feast for us then left to play poker without so much as trying his own masterpiece of a meal. That was just one of many great memories of Dave. My heart is with Evan, Patti, and Shannon. Love from the Peytons
