“ A life lost too soon. Debbie was always a great “mom mom” to our shared grandson, Ian. Because of our distance I always knew he meant as much to his mom mom as he did to me and she was always there for him. So sorry that she wasn't able to be around longer to enjoy her family. RIP Debbie and maybe we'll see each other again.

“ I had the pleasure and privilege to work with Debbie at Bass Pro Shops Denver. I was her lead when she worked in the Ladie's Department. She was a hard worker and always ready to help out in whatever way needed. She talked about her family frequently, and though we were sorry to see her leave Bass Pro we all knew she was moving to be closer to those she loved. May the peace of the lord be a other her always.

“ Debbie was a friend in WV to me. She loved going to movies and out to eat. Debbie was in our group Circle of Friends. She loved to smile, and loved to talk. Debbie will be missed but I will always have good memories of her. Linda Kohler

“ I have such fun memories of Debbie and her family during our early years. Both Hugh and Dodie made me feel so welcome in their home and I was incredibly jealous that she had brothers in addition to her sister. Hugh called me Stretch because I was tall and it usually made Deb roll her eyes - she had no idea I liked her dad giving me a nickname. I wish I could have know Deb better during our adult years and shared all of our life changes.

Sincere condolences to Hugh and Debbie's brothers, you have all had to suffer too much loss in your family. Condolences also to the children and grandchildren of Deb, I'm so sorry for your loss, I know you have been through sad and difficult times and that she will be missed by you all.

“ I worked with Debbie at Waldenbooks. I have many fond memories of her. I remember her pulling all the train magazines to share with her grandson. Her face always lit up when talking about her family. She loved her family deeply.
