“ We send our deepest sympathy to Evelyn’s family. We were privileged to be her next-door neighbors for almost 30 years. She was such a warm, kind, lovely woman we were grateful to call our friend. I always had a beautiful view of her flower garden while doing dishes at my kitchen sink. Evelyn had something in bloom all summer long that was so enjoyable to see. She also freely shared the bounties of her vegetable garden with us many times. Your wonderful mother and grandmother is home in heaven now. Comfort each other with that knowledge and all the beautiful memories you share.

“ Deepest condolences to your family. I never met your grandma but know the family thru my dear friends Kay and Eloise. From a distance I have admired the closeness of the family... the success to the community and the grandiose love for one another that obviously came from such a lovely lady. Her work is done...very well.

“ Dear, dear Eloise, you have been such a great example of love and patience to me (and I'm sure others). You contributed so much to the caring hospice environment. I'm thinking you are the living tribute to your Mother. What a wonderful woman she must have been. I'm sorry for your loss.
