“ Rest in peace, my friend. He was known in school 1st as Hendy then as Henry and then as Hank. To those of us on the football team we knew him as Tank or Moose. Who can forget his sweet Camaro that he drove to school. We bowled together on league team. The last time I saw Greg was several years ago when I came back to Lexington and went to the gym to lift weights. He was there and at the time was planning to try out for the NFL. Sorry I never kept up with him. Prayers to his family and all who loved him. Life is short. Rest my friend.
