“ Jim and Family,

We are saddened at your profound loss. It is without doubt that Teynor had the fighting spirit of all the Krasons that I have known for decades. Teynor obviously touched the lives of many for which you can be proud. Comfort in your loss.

“ I remember my boy Jordan, when ever he was going to see Teynor he had a certain glow in his eye, stood a little taller, knowing that he had a real friend to go and see. The loss of a friend is like that of a limb. Time may heal the wound but it can never replace the loss.
Jordan will miss his good friend and I will miss the joy that Teynor gave him
