Benny was born April 1, 1965 in Edinburg, Texas, the 'Golden Child' of Herminia and Abraham Perez. While attending Kearney Senior High he excelled at track and field events. Upon graduating from Kearney Senior High School, Benny enlisted in the Army National Guard. He was most proud of his service as a small engine mechanic. He was employed at Coleman Powermate for many years. Benny's greatest blessings are his two daughters, Sadie & Alicia Perez. Benny enjoyed home cooked meals, drawing, and fishing by 'catch and release' style. He was a craftsman at whittling and weaving. He found peace by riding his Harley and listening to Mexican music. Benny also enjoyed being with family and was loyal to his friends.

Left to cherish his memory is his daughters, Sadie and Alicia Perez of Kearney; five sisters; a brother; many nieces and nephews all of Kearney; and

his '63 Chevy Impala.

Benny was preceded in death by his parents, grandparents, and a brother.

“ *I just learned of Benny's death. I want to express my condolences to his daughters and other family. I knew Benny in high school. He was friends with my brother and I recall him as being quiet and he cared strongly about his friends. I'm very sad to hear of his death.*

“ *I'm so sorry for your loss. Benny was a great guy and would always help his friend. When I was pregnant with my oldest, I got home from getting groceries, Kelly wasn't home and Benny made me go in the house and he carried the groceries in for me! Sending loves and prayers to you all! Love Margo Cook*

Damn it Benito! You left us too soon and you gave nobody the chance to say goodbye. You will be missed by so many, see Ben, your kindness, your protection and your loyalty to those you loved, whether, relative, friends and even at times enemies touched so many. Many times I remember telling you that you were my hero. In return all I got was a smile and hug. I will miss you cousin the only comfort for me is knowing that you are no longer in mental and physical pain. And, now you can ride the bike or soar in the clouds as fast as you want. Give hugs to all who have gone before you. Love you.

Benny, you big ole teddy bear! I've known you since your family first moved to Kearney. I have lots of fond memories of our childhood. I remember writing your notes to get out of class when we were in high school. "Please excuse Benny at such and such time as he has a Dr.'s appt. Sincerely, Mrs. Perez" lol You were like a big brother to me and I am so so sorry that you have left us to morn your passing. But we will see eachother again. I know you will be seeing my dad too as I'm sure he's sitting around with your dad drinking a beer and "platicando". Love ya bro!!
