“ *Germaine and family, so sorry for your loss. I met Alan when I moved to Kearney in 1957 and went to work for Warren Barney. My office was on the street level on Central Ave; Alan was upstairs. Have worked with Alan over the years on various civic projects and he always met me with a friendly "hello". He will be missed by his family and the entire Kearney Community. He made life better for many people.

“ *Oldfather family:*

I did not have the pleasure of knowing Alan M. Oldfather. But, from what I understand, he did a lot of good for Kearney. And I have heard, from people in my little hometown of Brady, that he was generous to those Kearney State College students who came to KSC from Brady and other small towns. He offered them a part-time job and a chance to learn about banking, community development, and a good better life. Blessings to the family of Alan M. Oldfather.
