Andrew was so loved by his family. He left behind his wife, Ayla, and four wonderful children, Ethen, Trevor, Vivian, and Aurora. Andrew was born to Alvin and Cindy Frerichs, on May 25, 1977, in Minden, Nebraska. His father, Alvin's, life was also ended too short at the age of 58. Andy always enjoyed telling everyone how big of a family he came from. Andrew has three brothers, Jacob, John, and Calvin. Along with five sisters, Tammy, Jamie, Emma, Jennifer, and Anna. He had a brother, Joshua, whose life was taken as an infant.

Andrew graduated from the High School in Sumner, Nebraska. Andy then courageously served in the United States Airforce, for 9 years and was honorably discharged in 2005. Andrew then happily gave 14 years to Union

Pacific Railroad, until his cancer diagnosis, where he strongly fought for more time with his family and friends and passed too early, due to heart failure. Anyone who spent time with Andy knew that he took pride in his wit and humor. He was always a jokester and knew how to make people laugh. Andy always had such a big heart, especially when it came to mentoring people. He really cared about the people he spent time working with throughout his lifetime. He also adored his family so much; he would do anything for them. He took great pride in his four kids and was so proud of them. His most precious time was spent cuddling with his kids. He would also say he spent precious time playing video games with his many friends he met over the years.

Andrew will be missed by a sea of people and he knew this as his life came to an end. When our time comes, he will embrace us at the doors of heaven.
