“ *To the McKee Family:*

*We were so saddened to hear of Andy's passing. Andy worked for us for years in Boulder, CO and was always a joy to work with. We will always remember his infectious smile and laugh. He brightened our shop with his "Hawaiian shirt Fridays" and he brightened the world for the very short time he was here. God speed, Andy. We will miss your presence.*

“ To the McKee family,  
My thoughts and prayers are with you all at this time. I also would like to thank you for allowing myself and the Welcov staff the opportunity to care for this loving, sweet, funny man. He really touched my life in the time he was here at Welcov and I enjoyed our talks on the bus, sitting outside on the patio and taking short walks around the facility. Have a beer and a shot for me Andy! God Bless
