“ Anna and I worked closely for a decade at Shopko, she was our queen of the front end! I felt like she was my adopted momma at times, and I miss her sighing the most. I may have picked up that habit from her... RIP to wonderful friend and soul.

“ Anna was my cousin. Growing up we visited a lot. My Mom was Alice. We would stay in Tony’s basement and walk to the park to play. We have always kept in contact. My sister and I came to visit in the last year or two. We spent a lot of time talking and eating. So glad we got to spend time with Anna. She was always so fun, nice, and welcoming. Will miss her so much. She brought so much Joy and Love to everyone around her. God Bless her family and friends. Sheila Obermeyer. Colorado

“ I went to high school with Anna. I always found her to be the nicest person. I don't think I ever heard her speak ill of someone. She is going to be missed by all who knew and loved her.

*Anna "Tootie" was my first friend. We met when we were three! We had just moved across the alley from Anna and her family. I spent many happy years playing in the Schneider home. As years past we lost touch, only to become reacquainted after she lost her husband. Anna was always humble, kind, and considerate. She will be dearly missed by her family and friends.*
