“ *I am so sorry to hear about Anne! I went to the Grand Island Business School with Anne. We became friends and I went to her wedding! We lost touch over the years, but I thought of her often! She was fun to be around and I will always remember her! God bless Tom and the family! Lynn Johnson Ficken*

“ We are so sad to hear of Anne's passing. She was a dedicated and super capable office manager at our office. More than that though she was our friend and kind of a mother to us all. Her dedication at the office was appreciated so much by our patients. Her dry or sometimes sarcastic sense of humor will be missed!

We have many fond memories of our time with Anne and will cherish them forever.

“ Anne was my bestest friend growing up. We shared many laughs & we loved to walk in the rain. Our song was You're My Best Friend by Queen. She'll forever live on in my heart. May her memory be eternal. I love you my forever friend ❤️

“ Anne was so nice to me when I started at Litzenberg. I'll always remember the days when she would come stand at my desk and harass Robb in jest. She will always be remembered as a funny lady who showed me great kindness. Very sorry for your loss.
