“ *I am so sorry about Arabella, and I know that this is a difficult time for her family. Please take comfort in knowing that Jesus, in the future, will restore all those in the memorial tombs to life (John 5:28,29) each one with their unique identity and personality. What a wonderful future this will be for loved ones that have died, to enjoy life on earth in perfect health, Isaiah 33:24;Psalms 37:11,29. Just picture the joy you will feel when you see dear Arabella again. (www.jw.org explains more about this future.)*
