“ *I met this little feisty lady when I was working for the 2010 census. We had quite a good conversation about her life and the farm. Very sorry to hear of her passing.*

“ *I met Betty when I worked the 2010 census and had to visit her to get a census form filled out for her property. I just remember her as a little feisty lady with a little dog that didn't like me! But we ended up having a wonderful conversation about her life on the farm and her teaching career. Very sorry to hear of her passing.*
