“ *I'm so sorry to hear about Betty Ann. You may not remember me but I lived across the street from your house in Madison SD she was such a great lady I have many memories of your family. They included me in so many things.*

“ *So sorry to hear of Betty Ann's death. I tried calling in September, and the phone number at the house was disconnected. I never got around to finding out how things were going after that. It is sad to have lost touch. I will always remember Betty Ann for her compassion, and her passion about caring for the earth and it's people. She had a kind heart, a memorable smile, and a soft voice that communicated her values clearly and motivated others to action. Yes, Betty Ann, I did vote.*
