“ *Beverly was always so kind to us when we came to get apples. My elderly mother always wanted to go to the orchard for apples even well into her 90's. She enjoyed visiting with Beverly and Keith. Beverly even gave here a piece of her homemade apple pie one day.  
I am so sorry for your loss. You are in our thoughts and prayers.

“ My brothers and I grew up on a farm about a half a mile from the Burd family, and went to District 38 with Beverly, Debbie and Duane where we enjoyed many fond memories. In particular was the time we snowballed our teacher, Bernie Herman, while he was visiting the outhouse. I believe Duane was one of the lucky ones who got to stay after school with me and my brothers. Bernie decided to move on after one year!

*God's Peace and Blessings to Debbie and Duane as they mourn the loss of their loved one.*

“ We enjoyed knowing Bev and her family when we lived in Pleasant Dale and went to church together. The family dairy was our source of milk for “ostakaka” and for cream to make into butter with the kindergartners. I was honored to sing at her and Keith’s wedding.

“ Beverly lived down the county line and then east from our farm. We all went to Dist 38 one-room school (and got a great education!). She and Debbie had such beautiful thick hair. Diane (VanAndel) and I loved to comb their hair. My prayers are with your family for God’s special comfort He gives His children. Jean Riley-Schultz (Jeannie Lohmeier).
