“ I met Beverly while she was residing in Council Bluffs. I worked at the nursing facility she and Everett resided at. What a joy she was to be around. I learned so much from her. I was very young and she and Everett taught me that love prevails as long as you believe!!! So sorry to hear of her passing.

“ I wrote a little something in the "Life Stories" section of this site. She blessed my life in so many ways and it all started with a "chance" meeting on the sidewalk that became a long friendship. I will miss her so much but I love it that she is enjoying her new body in Heaven!

“ some years ago, my first job was at the Ravenna Nursing Home. Beverly was a resident there at the time, what a joy she was to be around. Hard for her to be there, but always a kind word. She loved those red hot cinnamon hard candies! I'll always remember her, sweet lady.
