“ Pam, Marcus, Ben, Patricia and families,
I wanted to make sure that I tried to express to you my feeling of sympathy for all of you. I know this is a very hard time for all of you. I will always treasure the wonderful tribute Boyd wrote for Arnie's memorial. If you ever need someone to just listen please give me a call. I know that at times that is all that you need. Boyd will be greatly missed by everyone and I am so glad that I got to know him. Take care and God Bless you all.

“ Dear Pam and family,
What a bittersweet time! He leaves an empty place in the room...and in hearts that loved him.

But we know Boyd is again able to "do something!"--always so important to him--but now it's right there in God's presence! How wonderful that must be!

Your courageous faith and strength are a true inspiration, Pam. Know you are loved !

“ I did not know Boyd personally, yet I felt like I did. I knew as soon as I saw his name in the obituaries that he was the one whose columns in the Kearney Hub had so inspired me. I cut out most of his articles and highlighted many of his key points. I loved his style of writing and his talent for motivating and challenging. I, too, love to write, and I so appreciated his ability. He spoke to me and encouraged me often whether it was the first time or the tenth time I read his words.

“ I so enjoyed knowing Boyd (Mr. Witter) first as my high school English teacher and later through Primerica. He was one of the teachers who impacted me the most. My best friend and I often finagled him out of pink hall passes to leave class for no reason and he just smiled and signed them because he liked us and we were good students! He was a great Christian man and although he couldn't express it in school, I just knew it! It was 38 years ago and I can still picture him in his classroom at Ravenna High School. I very much enjoyed reading his encouraging words in the Kearney Hub more recently. I too have saved several of those articles! He really should have written a book. I would have bought it. I will always remember his smile and kind ways. May it help you and your family to know that he had a positive impact on so many people. Praying for all of you as you remember Boyd and celebrate his life. Heaven has gained an angel!

“ To the Witter family,
I'm so sorry to hear of Boyd's passing. I met Boyd in Hastings NE when he was selling for DuBois Chemical years ago. Since moving to Georgia I ran into Boyd a few years ago at the Walmart store in Kearney, since my father and sister live in Kearney. Boyd hasn't changed a bit, always kind and a great heart. What a privileged to have known your husband.

4 THESSALONIANS 5:44

Encourage one another and build each other up, just as in fact you are doing.

Since the distance makes it impossible, I will be there in spirit. God bless you all.

“ My condolences:
Dearest Pam and family – I am so saddened by Boyd’s passing. He was such a wonderful man – he will always have a special place in my heart. Boyd taught me so much – Boyd was always a gentleman. We know that he is safe and pain free in the arms of Jesus now. I will be unable to attend the services because I live in Arizona and my back does not allow me to travel – but I will be there in spirit. Love ~ Marci Walker
