“ Greg and Larry,

I cannot express how deeply saddened I am. Carla was more than my sister she was my confident, friend and support when life was to hard. I will miss her more than I can say in words. Please call me anytime. I wish mom and I could be at the service but I hear Carla saying "take care of mama" and that is what I will be doing. Just know my heart is with you all and I will love her to the moon and back forever.
