“ *We've been friends since you were 7 and I was 9 years old. Both of us have come from a very poor family back in the days of our youth but that has never stopped our friendship over the years since then. I still consider you as my Little Sister with Red Hair and a Temper that most boys your age would run from. After all these years, it's time for you to take a rest and join your Mother, Father, Brother's and Sister. Lord knows you've done your best here on Earth providing a Loving home for your Children and Grandchildren. Rest in Peace Carol and someday soon we are will be joining you before our Maker for Eternal Life with No more Pain and Suffering. With Love and Respect
