“ So sorry to hear of Mrs. Fitzkes passing. My three girls all had her as a secretary at Emerson elementary. I am now the secretary at Park elementary and I always hope that I would be as good as secretary as Mrs. Fitzke was. I could always count on her to take good care of my girls. My thoughts and prayers are with her family.

“ My condolences to the family of Mrs. Carol Fitzke. I attended Emerson Elementary School in Kearney from 1988-1995, and Mrs. Fitzke was a fixture in my life as the secretary in the office under Dr. Townsend. I recall her kind nature and her diligence in doing her job well and helping kids. As a young person, she seemed like the kindest grandma and now as a mother myself, I know that her affection for children is what makes my memory of her so strong. I can't imagine the number of children she so effectively cared for while working for KPS. Her caring and kind heart truly served many students, like myself, well. I have been a teacher for the past ten years because of the excellent role models I had in educators like Mrs. Fitzke.
