“ *May God's blessings be with the Lynch family during this tender time. Carol was our friend during our years at Lincoln High School. She was a wonderfully humorous person who, just by her presence had the ability to light up a whole room. We are quite sure she has all of heaven laughing already. RIP Carol!! “ I would like to express my condolences to the Lynch family. Mrs. Lynch was my P.E. teacher in elementary school. I was scared of her but respected her. She was a tough cookie yet I most remember and appreciate the encouragement she personally gave me during the yearly fitness tests. She helped me to believe and prove that girls are as athletic if not more than boys. I will forever be thankful for that gift from her. God Bless

“ I am so sorry to hear of Carol's passing. Carol was my PE teacher at Emerson Elementary and she encouraged me to run track. I won a President's Fitness award because of her. We met again as adults and played together on a couple softball teams. We had so much fun and she always made me laugh. Our thoughts and prayers are with your family.

“ *Sincere condolences to Carol's entire family. She brought laughter, fun and joy to all who knew her. We were in grade school when our paths crossed. Nextdoor neighborhoods. Walking and bicycles became our means of maintaining a friendship. Then, we went to Irving Jr. High together! Oh, the fun really began. Sending thoughts and prayers for strength in the days ahead. Carol was one of a kind and greatly missed.*
