“ *I was sad to hear the news of Carol's passing. I worked with Carol at Bryant Elementary as an associate. I had so much fun with her in her room as she was always smiling and laughing. Sending thoughts and prayers to you and your family. She will be missed.*

“ *We send our love to Carol's family. We came to know her and the rest of the family when we moved next door to Pete and Barb over 35 years ago. The annual Christmas Eve gatherings were a chance to visit with extended family, and summers were a time when we would see Carol almost on a weekly basis as she tended her folks' flower beds. She was so proud of Britany and Anthony and would share pictures of Emerson and Jantzen on her phone when we would see her out shopping. You all are in our prayers, as she has been.*

“ Brit, We are so sorry for all your family during this very sad time. Please know you are all in our prayers. Your mom was a very special person, and our memories of Carol will always be with us, from when she was friends with my sister as a little girl, to being neighbors across the street as you and Abbe became BFF, to teaching with her years ago at Bryant, and to finally respecting her as a loving and kind person, mother, and grandma. Please, let Paul know our sympathies are with him as well as Anthony. She will live through Emerson and Janssen with all your stories and pictures. We love you.
