“ My heart goes out to Carolyn's family. I know how much she was loved and she loved you all back.

I met her when we were barely in our 20s and we had so much fun together. Our favorite thing to do back then was go to Conestoga Mall in Grand Island. We were mostly window shoppers but we never came home without buying some famous chocolate brownies at a mall bakery. Traveled all that way and ended up only with brownies. We used to laugh about that. After I moved away we lost touch but regained it these past few years when I returned. She was always cheerful, even when not feeling up to par. Her talents of cooking, baking, sewing and singing will be missed. Carolyn was so happy being a singer with the Sweet Adelines. She had so much love for her family who meant everything to her. She will be missed so much.

I knew Carolyn as a little girl. Later, she was in high school when I taught music. She was a talented musician, great singer, and had a kind and caring heart. I truly appreciated how much she helped me during my first years of teaching. My heart is sad this time has come. May you, her family and friends, keep telling her story. My prayers go with you all.
