“ *I was so saddened to hear about Charlotte. I always loved her and thought Lonnie was pretty lucky guy and smart one too to have brought such a lovely girl (inside and out) to join our family. Prayers are with you all. Sharon*

“ *My memory of Charlotte comes in a smile, a laugh, intelligence. She was always a joy to be around. Yes, I'm going back in time but it's a joyous memory of a person who I looked up to and so enjoyed. I'm sorry for Lonnie and their children. The planet gets a little darker without the light of people like Charlotte.*
