“ *Chris cared about the planet and life on it. He acted on this, not just talked about it. He was a quiet man, but I always enjoyed speaking with him.*

“ *Jackie, Ritch, Amy, and Kate*

My heart breaks at your loss of Chris.

I will always remember him as a pesky little "brother" with a constant smile and a skateboard.

May your memories and the caring thoughts of your friends and family bring you peace during this time.

With Love

“ *Rich and Jackie,*

We just read about Chris's passing and we are devastated. We cannot express how badly we feel for you and your family. We will keep you in our prayers. I informed Lance, but he is in Chicago this week. He will try to attend the services when set.
