“ *I remember the day Cleo joined the Mother Hull Home family, she instantly made everyone around her feel warm with her beautiful smile and warm personality. Even though I only knew her for a few months, she made such an impact on my life and others in the facility. She will forever be in my heart and her loving personality will truly be missed every day. Rest In Peace dear Cleo.*

“ Dearest Cleo we will miss your beautiful smile and that little giggle you had. What a wonderful woman of God you were ,learned so much from you about patience, love and giving from your heart. You always knew the right words. So glad we were able to spend time with you and those good times when Stu was living and you traveled to Colo. to see our family. It wasn't easy for you the last 5-6 years but you never complained or felt sorry for yourself, yes you were an inspiration to many. I will miss you for sure. Sending our condolences & prayers to your family and grandkids etc. Godbless you , go be with your brothers and sisters and those gone before you no more pain or loneliness. Love you
