Cale served the United States Army with distinction, professionalism, and unwavering dedication throughout 18 years of honorable service. A proud officer of the Engineer Corps, he devoted his life to strengthening the Army's operational readiness and developing the leaders who would follow in his footsteps. At the time of his passing, he was serving with the Mission Command Training Program at Fort Leavenworth, Kansas, as an Engineer Observer, Coach, and Trainer (OC/T). There he played a vital role in preparing units across the Army for the challenges of modern warfare. His steady leadership, deep technical expertise, and genuine commitment to excellence shaped the readiness of countless Soldiers and organizations.

Cale was raised by his parents Mitch and Lori in Elm Creek, Nebraska, along with his two brothers Asa and Morgan. A graduate of Elm Creek High School, he participated in numerous sports and was active in Boys Scouts earning his Eagle Scout. He graduated from the University of Nebraska at Lincoln (UNL) with a Civil Engineering degree in 2008 and achieved his master's degree in Military Construction Management from Missouri University Science and Technology in 2013.

While attending UNL, Cale met Jenna (Brockhoff) Farquhar while attending a freshman chemistry class. They were married in Lincoln, NE in 2008 and welcomed their daughter Alice in 2013.

Cale was a proud alumnus and longtime counselor of the American Legion Cornhusker Boys State program, where he frequently served with the Legislature. As 1st Vice President of the Cornhusker Boys State Corporation, he worked tirelessly to strengthen and expand the program. He believed deeply in its mission and remained committed to ensuring future generations experienced the same leadership and civic opportunities that meant so much to him.

Throughout his career, LTC Farquhar was known for his humility, integrity, and genuine care for the Soldiers he led. He was a mentor, a trusted leader, and a steady presence in every formation he joined. His influence extended far beyond his duty positions; he shaped careers, strengthened teams, and inspired confidence in all who served alongside him. Above all, he was a devoted family man, attributing much of his success to the love and devotion of his wife, Jenna, and daughter, Alice. They were the center of his life and the source of his greatest pride. His love for them was evident in every chapter of his journey.

“ We are so sorry for your loss of Cale. We were good friends of his great grandmother Fern Baldwin and I know she would have been so very proud of him! I have entered his name and information into the Veteran's Kiosk of the Phelps County Museum of the Prairie since he was from Elm Creek. It would be a great honor if the family would provide me with a formal photo of Cale in uniform. The attached one is okay but since it is a "thumb nail" doesn't show very well in the kiosk. “ So extremely sorry to read about this huge loss! We remember Cale as an active 4-H member and Junior Leader in 4-H while our kids were involved with it, too. Mitch, Lori, Cale, Asa and Morgan were great friends that we enjoyed working with. I had just talked to Mitch not long ago and he updated me on what all three sons were doing and he was rightfully proud of all three sons. I know Cale was a great man and he will be missed by his family and friends. Our thoughts and prayers are with you- Love, Linda and Kermit Fees

“ Our deepest condolences to you Jenna, Alice and all of Cale's family. We were devastated to hear the passing of Cale, and he will be missed by all. I had the privilege of knowing Cale for that past year through Cornhusker Boys State and we attended the Americanism Conference in Indianapolis, IN last fall and discussed our plans for this 2026 course. I will miss the opportunity to work with Cale, and I know that his leadership and passion for this program will be missed by the staff, fellow counselors and the young men that attend the program. We also plan to honor Cale's legacy with an award recognizing leadership to be presented to a counselor that displays the same professionalism and unwavering dedication to the Cornhusker Boys State Program that Cale gave.

“ Lt. Col. Farquhar is Cale to us, our precious nephew-in-law. We know him as a man who deeply loved his family, could read complicated engineering books with ease, get in a quick five-mile run before breakfast, engage in deep conversation, and offer a giant bear hug here and there. To our country and to us, he is a hero with dedicated commitment to freedom, democracy, and compassionate leadership. His quiet dignity, depth of knowledge, and level headedness will be honored, remembered, and cherished forever. We are thankful for the gift of beautiful memories, the honor of knowing him on earth, and the promise of everlasting life. Uncle Rick and Aunt Jane
