“ Denny, Todd, Toby, and families, So sorry to hear of Colleen's passing. She was truly a wonderful lady. I remember her well and will fondness and humor. In the Alfalfa Center neighborhood west of Kearney, Colleen "Connie" Mickelson was the neighbor and mom who was ready to help and had a smile, a friendly word, and deep compassion for all of the kids and residents in our rural neighborhood. I was always impressed and envious of her knack and aptitude for being a "boy mom." I wish you all blessings of comfort and peace. May God grant her eternal rest, and perpetual light shine upon her.

“ Grief can never be fully understood by the who isn't experiencing it. The best we can do is sympathize. In your hour of bereavement; when the loss of a dear mother becomes real to one's mind, grief is the best way to cope, despite its discomforts. Toby, my friend, I offer you, and your family, my strength in prayer and love.
