Colleen was born on November 29, 1933 on the family farm near Amherst, NE to James M. and Hilda (Jones) Pfeiffer. She attended Amherst High School and graduated with the class of 1950 and later attended and earned a bachelor's degree from Kearney State College. Colleen believed strongly in education, thus it was appropriate she began teaching in Buffalo County rural schools in 1950 at the age of 16. She continued to teach at rural schools until 1967 when she moved to Park Elementary School in Kearney where she taught until her retirement in 1993. Colleen continued her love and devotion to teaching by spending time assisting nieces, nephews and anyone else who might need help. Colleen loved to spend time with her family. Her greatest enjoyment came from being there to help anyone when possible. Colleen loved watching a variety of athletic events ranging from t-ball through high school sports. She continued to attend sporting events as long as her health permitted.
