“ *I am so, so sorry for the loss of this lovely lady. She was to young to go. I will miss her dearly. We talked daily on the phone, Went shopping, made jelly, played pool, and kept each other company. I will miss her dearly. Many people know her in passing I know what bothered her. She had been struggling at times with her illnesses, But she was a fighter. God rest her soul. May she rest in peace.*

“ *Connie was my best friend i am missing her dearly. She was loving caring and had a heart of gold. She could crack me up with some of the thing she said and did. After I moved from Norton we would spend hours on the phone on Sundays but NOT while game of thrones was on. I love you always and forever my friend*
