Connie Schriener was born on June 15, 1946 as the oldest child to Edward and Lucille (Philips) Scott in Holdrege, NE. She spent the majority of the beginning of her life in the Holdrege and Kearney area. Later, she traveled out to Torrance, CA and spent some time out there with her aunt and uncle. Later, she moved to Franklin, NE, where later she met Edward Schriener and married him in May of 1967. Afterwards, she had two sons, Edward, Jr. and Steven, whom she worked hard to support during times of stress in life. She worked all kinds of jobs from a beautician at Queen Anne's Salon to nurse's aide finally retiring as a custodian from the University of Nebraska at Kearney as she primarily worked in Men's and Mantor Halls. One of her greatest joys was working around the students and trying to be a positive influence in their lives. Connie enjoyed NASCAR and collecting praying hands as well as the company of her two sons. She especially enjoyed spending time with her family and was always the first to lend a hand when someone needed help. Surviving
