“ *My sympathies to all of Dennis's family. The service this morning was very inspirational and comforting. Knowing that Dennis did the planning made it very special. Dennis was a fraternity brother at KSC and I shared a basement apartment with him for a while. He was always positive, never heard him speak bad about another person. He helped me several times in buying and selling homes. Rest In Peace.*

“ *To the Roper family, we have known Dennis for many years. He was always so nice and always went out of his way to show us properties that we wanted to purchase. He always had a smile on his face and was considered a good friend. He will be truly missed.*

“ Dennis was my fraternity brother at Kearney State College (Now UNK). In the opinion of the female student body, he was without a doubt the best looking guy in the fraternity. As a result we gave him the nickname "SWEETHEART". Appropriate as he truly had a "sweet" heart. Rest in peace, my brother.
