“ *No one loved horses more than this lady and no one could ride them better than her. My longest lasting memory of her is herself standing next to a horse, she was barefooted and in shorts and tee shirt, giving one small jump she was sitting on the animal, which stood 14 hands high. How she did it, I'll never know, but it makes me smile whenever i think about it.*  
*It's not goodbye lady, it's hello from Jesus and now you don't hurt anymore. With love Lea*
