“ I met Diana while at UNK. She was my travel partner to and from College Park twice a week. We lost touch after I left UNK, but I regularly recall our many conversations solving the world's problems in a little red state vehicle!

Thoughts and prayers to her brother, sister-in-law and nephew.

“ I was fortunate become acquainted with Diana when I first started teaching at UNK. She helped me so much. We stayed in touch after she left UNK. I so enjoyed playing bridge with her and just visiting from time to time. My thoughts and prayers are with her and her family. She was special!
