“ Dick was my brother in law many years ago but I never thought of him that way, he was my big brother, Although it has been many years since I last saw him he was never far from my heart. I loved his sense of humor and his amazing smile. He always made me smile even when I didn't feel like smiling. I didn't like sharing any of his attention especially with my little sister LeeAnne;) I would tell her that she was not going to steal him from me (how children's mind work). I love you Zach, be thankful for all the years you had with him. My heart breaks for all of you. I love you Dick and I will never ever forget you.
