“ She was like a mom to me and I will miss her so much. I loved to hear her stories about Army life that she shared with Andy. We shared so many lunches and shopping trips to Walmart and each time we were together we found something to laugh about. It was such a joy to do things for her because she was so appreciative. I will always hold warm memories of her in my heart and each time that something reminds me of her, I just smile. I will always love you, Delores.

“ I remember a gathering of family at Lexington and Aunt Delores brought food and I am not sure if it was called Gumbo or Jambalaya but I loved it. I always remembered asking Diane to get that recipe but she would forget to ask. That is one thing I remember and wish I had that recipe. It was so good! Sending my Deepest Sympathy to all the Harm family . Michelle Harm
