“ *We have been friends a long time. Hung out, worked together and had some great conversations. I will miss you. When you told me that you knew Jesus and had accepted him into your heart, I knew that I would see you again in heaven. Till then my friend.*

“ *Doug worked for me for 5 years while we Cargill. I hired him as a part time driver and never let him go. Just have to tell you he will be missed by us from work. Doug would do anything we asked, he was a great truck driver and a welder, let alone a good mechanic. It saddens me that his life was cut short but I am happy he is no longer in pain. Condolences to Doug's family. Kelly Swanson*
