“ *Our sympathy goes out to Doug's family. My husband, Merrill, and I both graduated from Holbrook High School in 1984. When Merrill was a freshman and Doug was a senior, he remembers how Doug would never put up with an upperclassman bullying a freshman. He would tell them if they wanted to pick on someone to pick on him. That really spoke a lot about Doug's character and protective nature. Thinking of you all at this time.*
