He says to them, "Don't cry because it's over, smile because it happened".

Duane was blessed and the essence of him can be seen and lives on in his children and grandchildren who

were dear to him.

“ Thoughts and prayers for the Heiliger Family during this time of loss. I remember many visits to the Heiliger house as a young boy. I remember Mr. Heiliger and my dad telling many stories and laughing. They both passed on to be with the Lord the same month. Blessings and comfort to your family during this time.

“ We became acquainted with Digger through the Kearney softball Association in 1963. He was an outstanding softball player and a great competitor. The thing neat about the Kearney softball Association all the teams were friends and did a lot of things together. Our condolences to the family. Cherish your memories and may God bless you during this time of grieving.

“ my prayer is that the God of all comfort and peace will guard your hearts during this time. I remember The first time I met Digger 41 years ago, as a 10-year-old boy having digger as a baseball coach and how he inspired us to be all that we could be, I find that he helped to shape my character in the formative years. Randy and family, my prayers go out fir you and may you sense his presence in your life.
