“ *Dear Jurgens Family: My heartfelt condolences to you all in the loss of our beloved Great Uncle Elmer. A special thanks to Ruthie for sending us a copy of his memorial service program, as well as a copy of the beautiful tribute to his life from the newspaper. I have so many fond memories of Elmer from my childhood visits to Nebraska with my mom Janie Imel. As many of you know my mother is passionate about geneology and over the years she has shared so many wonderful stories about Elmer, my grandfather Gerhard, and so many others in our family history. Elmer was so lucky to be surrounded by such a large, loving family, and how fortunate to have lived such a full life...nearly a hundred years! Love to you all,

“ I am very sorry for your loss. May all the many years of beautiful memories help you through this difficult time. Jesus said; "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out,.."(John 5:28-29) My prayers are with you that his promise of a resurrection will also comfort you.

“ My thoughts are with you during this difficult time. There is little I can say or do to ease your pain and suffering. Life is so short and our loved ones are gone from our lives too soon. Gods promise of a resurrection is found in John 5:28, may it bring you comfort during your time of sorrow.
