Emily was born in Portland, OR on April 5, 1993. Her parents, David F. Hallet and Sandra K. Hallet, soon adopted her from her birth family. Emily knew and loved both her birth family as well as her adoptive family. After graduating from Mountain View High School in Loveland, Colorado she continued to live at home and pursue her love for learning in her own special way. She leaves behind many loving brothers, sisters, aunts, uncles and cousins as well as the countless people she touched with her smiling, loving, gentle kindness.

“ *So very sorry to hear of the loss of Emily. I was her bus para, and she was such a wonderful caring person. I have thought of her every now and then. It was my honor and pleasure to be with her on the bus. Our driver, Dennis Doerr told me of her passing. Again, so be sorry for your loss. I will never forget her.*

“ I will always remember Emily as a third grader when I had the privilege of working with her on a daily basis. She taught me so much about life and what is truly important. Emily wiggled her way into my heart and remains there to this today. I remember her as spunky, sweet, and yes, a bit stubborn at times. I have no doubt that those attributes served her well in life. We laughed together, read together, enjoyed field trips, and she loved playing on the equipment at recess. Life is a journey and I am very fortunate that she was a part of mine. May her memory be a blessing to all who knew her. I know it is for me. Sandy and David, thank you for sharing her with me that year at Tomahawk.

“ Emily, we are all going to miss you. You were a bright light of joy and innocence rarely seen in this world. Your strength and fortitude are an example for all of us. There really are no words that will sum up all that you were, and still are. In time, we will see you again. Until then, we will miss you with all of our collective hearts. We love you, Emily.

“ I have known sweet Emily and long as I have known my wife (also Emily) - for about 20 years. Emily was a non-stop SMILER. You almost never saw her without a smile or smirk on her face. Her sweetness, kindness, and gentleness were endless and she had a profound love of animals. I will never forget the look on her face when petting her dogs or being with horses. We will miss her very much.

“ One of my most cherished memories of sweet Cousin Em is in her profound love for animals. She was regularly dreaming up ways of how she could support animals and often talked about running an animal rescue. She delighted in her dogs and any chance she got to be around horses or other animals. Animals brought her great joy as she did to those around her watching her enjoy them so.

“ Dear Emily enriched my life in so many ways and showed me what kindness, gentleness and love are. We spent some wonderful times going to movies, concerts and plays and just hanging out together. Her passing leaves an empty spot in my heart that no one can fill up in the way she did. Run freely and rest peacefully, sweet Em - from your Aunt Nini.
