“ *Knowing Evie was a true gift for our family. I can still see her smile as she shared a funny story or talked about getting to spend time with her family and many many friends. There are angels that inhabit the earth. Their purity helps everyone around them strive to do better. Evie is an angel!!*

“ *Evie was a special friend of ours when we lived in Kearney in the 1970s. Lynn worked with Evie at St. James - every Monday we would count the collection and share recipes. We kept in touch until a couple of years ago - I knew she must have not been well. We were fortunate enough to visit her at Mt. Carmel about three months ago. She had the same beautiful spirit. She is with God now.*
