“ *She was always like a school mom! She was always there and she made the problems smaller. She was always there as a shoulder to cry and a loving soft spoken angel to open up to. It meant a lot when she got that beautiful pink prom dress and she made my day better when I was grieving over a previous loss, and came to watch one of my softball games. She's always lifted me up when I was down. She was always very encouraging and loving. She wanted nothing but the best for her students/children. I didn't get to say the proper goodbye but I know she's always listening to my prayers. I love you and I miss you very much. Hope I get to see you again someday.*

“ *faith was an amazing teacher! through her inspirational examples, and guidance, as well as a true friend to our daughters in school. then we became friends, and spiritually connected to our entire family. she always had a comforting word, a shoulder to cry on, and a smile to help make everyday seem brighter, and problems seem smaller. it meant the world to our girls that she and kelly came all the way to GI, to watch them play in a softball game!! that is a memory we will never forget!! meeting faith was a gift from God, that we will cherish forever! we are so sorry for your loss! we lost an angel here on earth, but now she has gone to her eternal home, in heaven, to watch over all of us. .*

to her family, you are in our hearts, and prayers, in this time of sorrow.

“ *She was an absolutely amazing teacher. She did nothing but care and love and respect her students and she made school better for me and so many others. We will miss her smile, her optimism, her caring nature, and ability to accept everyone no matter what. She was like a mother to me.*

“ *Faith always brought sunshine and humor wherever she went. I met her when she lived in Diller and found out we had a Westmark connection, which made her even more special to me. She was one of the favorite substitutes at our school and I always enjoyed visiting with her. I'm saddened at our loss of her on this earth, but her sunshine will remain.* ”

“Faith...what a beautiful woman inside and out. There are no words that adequately encompass all of who she was here on earth. What a beautiful day it will be when we are reunited with her and our Lord.
