Franca Odeilia Fullmer was born in Italy on October 10, 1943. She lived in Italy until age 6 and then the family moved to Germany where she attended school. While living in Germany she was married and to this union a son was born, Walter Josef Kievernagel. She came to America accompanying a military family as their nanny. They settled in Omaha and Colorado Springs. After leaving their employment she lived in North Platte and eventually moved to Kearney. On December 18, 1970, she was married to Lewis Fullmer. On October 14, 1985, she followed her dream and opened Franca's Jewelry Store in downtown Kearney which she operated until her retirement in 2022.

She enjoyed life to the fullest with traveling, painting, gardening and her jewelry store. Her flower gardens were exquisite! There wasn't a tree, shrub,

or flower that she couldn't grow. She was a lover of all things, especially her cats. Franca loved to visit and tell her many adventures of growing up in Italy and Germany, and her travels around Europe.

Franca is survived by her grandson Pablo Marco Kievernagel of Cologne, Germany.

She was preceded in death by her parents; a sister; her husband Lewis and son Walter.

She was loved by many, and she will be missed greatly.

“*Franca was a lovely lady that I always felt a special connection with. The world seemed a little brighter after a visit with her in her jewelry store. She had some special gifts that she shared with the world. I last saw her at the Assisted Living place where she was staying after a long recuperation. We had a nice long talk and my husband was able to take the information she had on her grandson to try and make contact so they could communicate again. She will be missed. I'll be thinking of her when I wear the black onyx ring I bought from her after my Mother died. Franca and my Mother were both beautiful Libra souls. RIP Franca, I'll miss you.*

“ I remember Franca fondly. She fixed several pieces of jewelry for Mom and me over the years. She restrung necklaces and bracelets and fixed earrings. When I lost an earring, she knew just how to make the remaining one into a pendant. She always asked about Mom in the years after Mom was no longer able to come herself to Franca's shop. Franca was generous and even gave me a couple pieces that she thought looked like me. I miss her now that we have moved from Kearney. May she RIP.
