“ I had the honor of knowing Francine from her and her families years owning the Holdrege Sun Theater. I was a little girl when her mom and dad ran it and the drive in. Then as I got older and Francine took over, I got to know her. She was such a kind soul. She kept our theater a family based theater, creating memories for many of us in Holdrege. I became a huge advocate for her after the ice storm happened. She was so amazing! After she sold the business, I became the manager of the theater for 12 years, and occasionally I would call her up just to chat and keep her up on the business and she would tell me many stories from the past. Thank you for sharing her with us. She will be missed... fly high with the angels, Francine...
