“ Vicki,  
Sorry for your loss.  
Back in the Parker days we had a lot of fun. I'm sure he will be missed by everyone.  
One of my memories of Lee was at a Parker meeting in Colorado Springs. I caught up with Lee in the bar asked him what he was doing and in classic Lee he told me he was trying to get his bar tab up to \$1000.00. Drinks we're on his expense account. He brought fun to the drudgery of a serious meeting.
