“ I will always remember Frankie in a very fun 6th grade class. The next day after school was out for the year, he appeared at my open window (no air conditioning) at 7:30 in the morning and said, "Mrs. B., I'm so bored!"

I replied, "Frankie, this is your first day of vacation. Do you want to come in and help me put things away? "Yes!!" And so we did. He was so helpful and friendly. That was still true at Nick's Gyros.

I am so sorry I missed his service. I was two weeks behind in reading my newspapers and only saw the announcement today (Saturday). Please know that I cared for him very much. He will live in my memory.
