“ *I was saddened to read his obituary in th Kingsville record. I was worked for him in the early 80's as an office assistant. He was always professional and kind. I remember him riding his motorcycle to San Antonio to teach our future educational administrators. I myself was a business major but ended up becoming an educator as well. May he Rest In Peace. Praying for his family in this sad time.*

“ *Many memories were relit today of the times spent antiquing and at garage sales. We were lucky to have you as an Uncle and Norma as an Aunt. Each time we walk into our garage we continue to think about the times we spent wrapping things that were purchased to be sent home. May you rest in peace and peace be with your family. Thru the video, I was with you, even tho I couldn't be there in person. There were tears, and I will miss the phone calls every week or so that Gene and I had.

“ *I will miss you so much Uncle Gene. I will always remember our visits in southern Texas and will never forget what I did to the heave of the house in Kingsville. Tell Aunt Norma I still eat my whip cream with a little pumpkin pie. Lol. Love and miss you both.*
