“ Chris, you and your family are in our thoughts, prayers, and our sincerest condolences.

Our times together in Kearney are still cherished. So many good times with you, Gary, Dick, Dan, and even that dang "sober stick."

These memories will last forever, and always make us smile.

All our love, John and Jane.

*Nancy, it is so strange that you messaged me. I was driving into town yesterday and went by your mom's house at 1733 estates and then went by Frederick's where we lived and wondered " I wonder where Nancy Ludden is now"
It's a small world!*
