“ Jenny and Taryn: Gary and I grew up together, we were cousins on your Grandpa's side. It seemed at least three times a year, when you girls were growing up that Gary & I would visit about how you girls were growing up, as well as my children growing up. Gary would drive up to my place or I would be in Kearney and we would meet, laugh together, wonder together about our kids and talk about life's changes. When the first cousin passed away due to a car accident. Gary & I talked for a couple of hours over the phone. I could ramble on for a book, but that's not correct. You Dad was a great friend of mine as well as my cousin. I will miss him always. Prayers to you girls & your families. Charlie Harris

“ Lori and Family Such a wonderful family too. I looked forward to coming to Hasting every summer to spend a couple of weeks with Uncle Gerald, Aunt Catherine and Gary. You weren't born yet. Never got to spend much time with Gary once we were all married and gone from home. I know he was a great brother, husband and father. Miss those younger days. Too bad we have to grow up. Please hugg his girls for me. Parting isn't easy but they are still around us if we are open to that. Love you all.

“ Jenny and Taryn: Mary & I are so sorry that we were unable to be with you today at Wren's service. We watched the stream and he would have been so proud of both of you. At Kearney Country Club your dad and several of us guys met at least once, and sometimes twice a week to play golf and have a beer. And, in all of those years, I cannot remember a time when your dad had to buy a round...since he won most of the time. And even when he didn't win the partnerships, he won the side games he devised. You dad was a Winner. I truly will miss Wren.

“ Family of Gary Wren Lynch
Gwen and I were so shocked to hear of Gary's sudden passing. He was a fun loving guy and a joy to be around. We shared many golf trips together and had a blast. He did hate to lose money. He was an excellent free throw shooter, shuffle board player and dart thrower. We also shared many ski trips when the Platte Valley Ski Club was active. good skier as well. We are in Florida and could not attend in person but at least in Spirit we are with you. We watched the service online and were so impressed with you girl's tributes. What a fine family. We send our condolences and prayers to all of you. May God's mercy and love help you through this difficult time.

“ To the family of Gary and Carol. Girls ,you did a awesome job talking about your dad, a most difficult thing to do at the time. You were right. There wasn't a person who he met that was not a friend. He was always the same. We would have been at the service other than the concern of the various. You are strong, carry on. Please accept Barb and my sympathy.

“ I grew up with Gary (my cousin) just a couple houses away in Hastings. He was 9 years older than me, but always had the time to take part in whatever the neighborhood kids were doing. He actually taught me to play baseball. When I was up to bat he would stand behind me and yell "swing!" when the pitch was right. Gary will be missed.

“ I was blessed to get to know Gary over the last several years. He always had a gentle heart and welcoming smile. He enjoyed laughter and being around friends (and of course golf). Besides Joe (the cat) liked him so that make him ok in my book. :) Grateful to have met him.

“ We always think of Wren with a smile on his face and a twinkle in his eye. Our most treasured memories of all of our years in Kearney always include Carol, Wren, Jenny, and Taryn. Thursday night sand volleyball games, St Patty’s Day parties, Thanksgiving gatherings, Fourth of July festivities, graduations, weddings, and “garage time” were always more fun because the Lynchs were there! I’ll forever hear Carol saying, “Gary Lynch” whenever she talked to or about Wren. We love you all and pray we get to see you again, Carol and Gary, for a “cold one” and lots of laughs 😊
